## Hazeley Developments

Hazeley Developments is a local, family-run business with considerable experience in bespoke, high quality residential development. They are a professional, close knit team who recognise that creating and building homes is a very personal experience and your needs are always at the forefront of their minds. They work hard to ensure that their designs optimise space and light. Their building materials are selected with an emphasis on quality and sustainability. State of the art methods are combined with traditional values, so their craftsmen ensure every home they build meets with their high expectations.

## Development Opportunity

For those who dream of building their own home, this exciting opportunity is just that. Located in a highly sought after and pretty location near Alresford in one of the finest areas of the East Hampshire rolling countryside. There are sweeping views from the property over arable fields.

The proposed country house has planning permission to build an Arts and Craft style property of approximately 4930 sq ft. Arranged over two floors and constructed of brick elevations under a tiled roof. In addition there is a spacious leisure room of approximately 794 sq ft and also a 3 bay garage with a room above.

The gardens and grounds have the benefit of a well-structured landscape plan, which compliments the existing boundaries of mature trees. The property will be approached from a country lane onto a private driveway and gated entry that will lead through to the grounds and house.

The plans and images have been created to help visualise what could be achieved in this truly unique location. It represents a starting point, a blank canvass, which can be redesigned to suit your dreams and aspirations, enabling you to create a definitive home, the ultimate in personal statements.
